Modestine is a Pegasus 800 built by Rydgetway Marine Lowestoft

These are attractive 26 foot yachts with well finished interiors and 6 foot headroom below. Over 120 were built The vee'd forward sections and high aspect ratio sail plan give her the ability to point high without slamming. She has a roomy interior that will accommodate a small family with two optional berths in the fore cabin, 2 single berths extend under the cockpit.

Modestine has twin keels and a masthead rig with a narrow high aspect main and overlapping genoa.

She is in reasonable condition for her age but does require replacement of her forestay. She has been wintered ashore whilst at Kippford
